Audiobook about Konstancin-Jeziorna

Download the audiobook for free, listen to and learn about the history of our commune. The audiobook was created as part of the "Konstancin-Jeziorna Kaleidoscope" project, carried out by the Konstancin Community Centre. Listening to it, we get to know, among others: the fascinating history of the only health resort in Mazovia, the history of the Vistula River Urzecze, tourist attractions and monuments of Konstancin-Jeziorna, as well as interesting facts and local legends. In addition, we will walk along the alleys of the Spa Park, take brine inhalations in the graduation tower and walk along the trail of the most beautiful villas in Konstancin. All this in less than an hour.
You can download the mp3 files with the audiobook's thematic chapters for free below, put it on a portable device - phone or mp3 player and enjoy listening.
